

2009 Finalists

Announcing the successful finalists for the 2009 Westpac Enterprise North Shore Business Excellence Awards...

3M Excellence in Innovation Award

Finalists

- Acclaim Group Ltd
- Browns Bay Palmers
- Flawless Motion Ltd
- Plan-b Ltd
- Reid Construction Systems

Recognises a business that has enhanced its success through Innovation – both in thinking of the innovative ideas and implementing them. An innovation can be in a product, service, technology or process, and can relate to a new or existing product, service or process.

Massey University Excellence in Technology Award

Finalists

- Acclaim Group Ltd
- Maxnet Ltd
- Plan-b Ltd
- Reid Construction Systems

This award recognises a business creatively using technology to advantage in achieving success. The technology (or technologies), not limited to IT, will be fundamental to their business operation and will provide a competitive advantage through its application and leverage.
