

Bulk Emailing of Creditors Remittance Advices

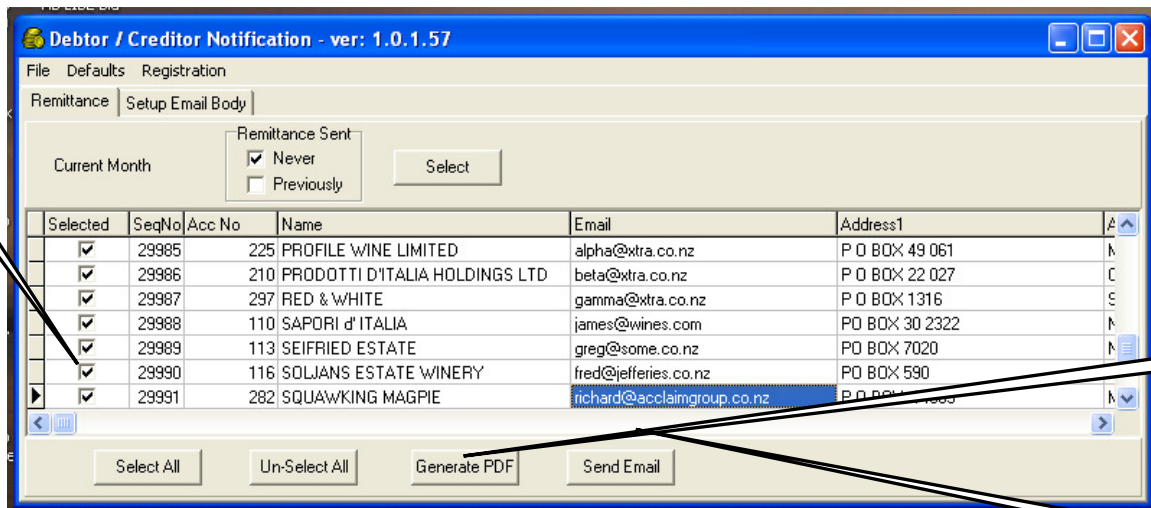

Do you use the Creditors Payment Processor to pay your Creditors by Direct Credit through the bank?

Are you still sending out your Remittance Advices by post?

Why not cut down on your postage costs and save time by emailing out the Remittance Advices at the same time the payments are uploaded to the Bank?

Acclaim's Bulk Email Utility streamlines the emailing of Remittance Advices to your Creditors:

1. Go into the Debtor/Creditor Notification screen (see below) from the Transactions > Creditor Payments menu. Select the Creditors that require a remittance advice to be sent by email (Only Creditors with an email address recorded on their account will appear in the selection screen).
2. Click on the Generate PDF button to create the remittance advices in PDF format.
3. Click on the Send Email button to send all of the selected Remittance Advices by email.
