

Acclaim Group Limited and Office Mastery Limited Join Forces

Acclaim has joined forces with Office Mastery Limited. Office Mastery has been supporting accounting software since the mid 90s. As an approved MYOB Partner, Office Mastery focuses on providing solutions for the classic MYOB Accounting and Payroll packages, MYOB Exonet and MYOB Comacc Payroll; in addition, Annette Parminter of Office Mastery is also an approved Exonet consultant. In joining forces we hope to combine the talents of both companies to existing Exonet clients and assistance for clients running

classic MYOB and MYOB Comacc.

Introducing Office Mastery

Hello, I am Annette Parminter, Director of Office Mastery, Acclaim's New Associate. Following our motto "Because Better Systems Mean Better Business" Office Mastery focuses on helping businesses to organise and streamline their processes and administration tasks. We have a particularly strong background with the

classic MYOB Accounting and Payroll products and also work with Comacc Payroll and Exonet.

With our extensive understanding of the challenges that classic MYOB users face when their software can no longer keep up with their business needs, Office Mastery is the perfect partner to help these businesses move forward. By joining forces the wide range of expertise that each party brings into the mix will benefit both Acclaim's and Office Mastery clients.

Exonet Tips and Tricks # 15

Now that the End of Financial Year will be approaching for many of our clients, here is a Tip that could make your life a little easier!

Access the Income Statement/ Balance Sheet through REPORTS> GENERAL LESGER REPORTS> RUN GL REPORTS as usual.

Step 1- Select the "Use Clarity Formatting template" and "Deliver to Excel" option.

Step 2 – Select the report to print (Income Statement, Balance Sheet)
Step 3 – Select the print option and it will present the report selected in a tidy Excel format that you can then save in a chosen location.
Step 4 – You are now able to attach this file to an email and send it to the accountant.

Super Special

ECO-Friendly UPS Disposal

Acclaim are running a **Clean, Green, New Zealand** Scheme. Recycling an old UPS (uninterruptible power supply) can be expensive and not always environmentally friendly. So Acclaim have come up with a deal for our clients. Where calling it

"TRADE A UPS"

We are asking all of our customers with an existing UPS, to trade it in for a brand new one and we will dispose of your old one for free.

Speak to your Acclaim Technician about this promotion.
