New Contact Details for Acclaim

### ACCLAIM HAS MOVED!

After eleven years at Ellice Road, Acclaim has finally moved. Our new offices are located at Unit 4, 6-8 Omega Street, Albany. The new premises has been planned to allow us better facilities for training and presentations, together with an improved phone and communications system. All staff now have DDI numbers linked to mobile, so communication has never been easier. Our new phone number is 09-4150984 and Fax is 09-4419120.

### October is the month to B - FAMOUS!

Having a complete security plan for your business data may not get you on the cover of Time, but choosing to B-FAMOUS is a key way to cover your business.

- B** - Backups, regular and tested.
- F** - Firewall. A properly configured and up-to-date hardware firewall.
- A** - Anti-virus. A regularly updated, quality Anti-virus (such as NOD32) is essential.
- M** - Maintenance. Regular system checks by your Acclaim technician.
- O** - Operating System Updates.
- U** - UPS. Surge/Spike and battery backup for your server and critical systems.
- S** - Spyware elimination.

The B-FAMOUS plan covers the current threats to your data. Please check the items on the plan against your current system and if in doubt, let your Acclaim Technician know—You want to **B-FAMOUS.**

## Bulk Emailing of Creditors Remittance Advices

Do you use the Creditors Payment Processor to pay your Creditors by Direct Credit through the bank?  
Are you still sending out your Remittance Advices by post?

Why not cut down on your postage costs and save time by emailing out the Remittance Advices at the same time the payments are uploaded to the Bank.

Acclaim have developed a Bulk Email Utility to streamline the emailing of Remittance Advices to your Creditors

1. Go into the Debtor/Creditor Notification screen (see below) from the Transactions > Creditor Payments menu. Select the Creditors that require a remittance advice to be sent by email (Only Creditors with an email address recorded on their account will appear in the selection screen)
2. Click on the Generate PDF button to create the remittance advices in PDF format.
3. Click on the Send Email button to send all of the selected Remittance Advices by email.
