

Sales Order History

Here is a quick way to view the supply and invoice history of a Sales Order:

Edit the Partly Processed or Fully Processed Sales Order and click the HISTORY button:

Exonet will open the HISTORY window and list all processes relating to the current Sales Order:

The screenshot shows a software window titled "History : Sales Order". It has a menu bar with "File", "Filter", and "Help". Below the menu bar is a toolbar with icons for "Print History", "View Document", "Account", "Sales Order", and "Close". The main area of the window contains a table with the following data:

Doc#	Activity	Date-Time	Sales Person	Staff #	Branch	Lin
